Vaidhya Devathas.

On 21st May Sriman Haresh (Singapore) presently in Mumbai came to Bangalore for darshan of H H Ranga Priya Swami. He was to undergo micro-surgery at Manipal Hospital. Swami blessed him and then gave a small discourse on Vaidhya Devathas. Swami told 1) Dhanvanthri, 2)Vaidhyanatheshwara, 3)Suryanarayanan, 4)Ashwini Kumaras and Vayu are Vaidhya Devathas. So there are Pancha Vaidya Devathas.

Dhanvanthri

Suryanarayanan

Ashwini Kumaras

Vayu

Then swami told the sloka "Arogyam Bhaskaradithya Cha", meaning, Surya takes care of Arogya, then the next quote swami gave was "Bhishaktamam tva Bhishajam" The meaning here is You (Dhanvantari bhagavAn) are the best physician among the physicians - that He is Vaidyaraja. Dhanvanthri is the avatharam of Maha vishnu for Vaidya. Then swami told Ashwini Devathas are Surya Putras, Suryan looks after Arogya hence his sons also take care of Health. Then Swami quoted Vishnu Shahasnamam "Vedyo Vaidya sada yogi and another sloka "Nirvanam Beshajam Beshag" Then swami told Beshajam means Medicine and Beshag means person who gives medicine. With this quote swAmi blessed Hareesh and finished the small discourse.

This is the second Pearl in the beautiful strand of Pearls
